

2023 September Milan Fashion Week

Tuesday, Sept. 19th - Monday, Sept. 25th, 2023

Please note that all shows are subject to confirmation. We cannot confirm most shows last minute. They should be reserved in advance. The farther in advance a show is reserved, the greater the chance of it being confirmed! Prices may increase if a show is not reserved far enough in advance and it becomes more difficult to secure that show or that show may become unavailable.
